PINOT GRIS

In 2011, Bleasdale decided to make Pinot Gris and left nothing to chance. Chief winemaker, Paul Hotker explored the Adelaide Hills to find the very best grapes. His search bore fruit! Beautiful fruit, in 3 vineyards. These patches of vines are now the source of a wine showing all the spice and perfume expected of a cool climate Pinot Gris. The wine has won plaudits from all the best judges! Critics like James Halliday annually rate it 94pts. + But the best judges are you, our customers. Everybody's happy, especially Paul Hotker, now...
